Message From the Auxiliary

Susan Bassetti
President, Auxiliary Unit 432

May and June are turning out to be very busy months. The Auxiliary (Ellie's) Greek Dinner was a roaring success. A big thanks to all that helped and attended the event. A beautiful farewell to an beautiful Auxiliary member, Della Weaver, was held May 5th at Leffingwell and the Legion Patio. Pam Bodine's fundraiser that was on May 12th at the Vet's Hall was a show of support (and love) from our fellow Legion crew (Son, Auxiliary) as well as the whole community. We wish you love and good health.

Here are a few Auxiliary happenings:

May 8th , teacher's recognition day, we presented our four schools with baskets of goodies. Just a small thank you for all that you do for our youth.

Poppy week May 13th-19th. Please support this worthy cause. Our poppy chairman is Barb Campo and she along with Jacque and crew are doing a great job!! Poppies are for sale year round!!

Memorial Day, May 28thHope you all attend.

June 6th, Auxiliary General Meeting (6:30) will be election of officers.....Please everyone attend if possible.

June 27th, installation of officers.

We pray for the three missing soldiers in Iraq as well for all our soldiers. God bless us all and keep us safe.

Message to America: Respect Memorial Day*

By Paul A. Morin

Here is a surprise. I am not going to defend the Iraq war. I won't even explain the importance of the war on terrorism. VA budget? Not today. That's because this column is about Memorial Day, a hallowed day that should be about honoring the more than one million men and women who died in the service of this nation in wars and conflicts dating back to 1775. It should be above politics. Period.

Yet one presidential candidate has blatantly violated the sanctity of this most special day. I recently received an e-mail from a group called "Supportthetroopsendthewar.com." It included a video of former Sen. John Edwards. He calls on Americans to use Memorial Day weekend as a time to "bring an end to this war." Shockingly, the video is titled "A Memorial Day Message from John Edwards," with the smoking gun note, "Paid for by John

Message from the Sons

Ted Ashlock 1st Vice Commander

Hello Fellow Sons,
What the hey is happening this June? Well May was a busy month, but let's go back to April. Josh Holland wanted to thank all the SALS and legionaries who came out for the Coast Union Interact Club fundraiser. So, a big thanks to the BBQ crew and all other participants.

The month of May concluded with a flurry of activity: the Pam Bodine fundraiser, the Cambria Grammar School Open House BBQ, and the Memorial Day service, and flags for the Memorial Day weekend. The BBQ crew and flag crew deserve big thanks again. The terms BBQ crew and flag crew are used loosely, since we're a small group and the crews are all the same people. We will attribute the fact its all the same people to living in a small town. But no matter what, thanks again.

The June meeting is on the 27th, and it is also the Installation Dinner for the Officers for the upcoming year. It appears Damien Markham will be stepping down as Squadron Commander, and David Smokey Drew will be the new commander. I think most the officer line up will remain the same, but it is not exactly clear at this time. Please note the meeting date and time, because this will be the last meeting prior to the Fourth of July.

Another cool item that will be taking place during the month of June is Flag Day on the 14th. The Sons will be putting up the flags on Main St. for the day. The flag committee will host the annual flag ceremony for the proper disposal of all USA flags that are tired and torn. This is a good opportunity to help your neighbors and friends properly dispose of any USA flags whose time has come.

Another event that the SALS will be involved with this June is the annual bike ride BBQ down at Shamel Park. This will be on June 24. We will be serving salmon, chicken, or tri-tip lunch from 11:00 to 3:00. The cyclists are always very appreciative for their meal. It seems like a lot of cyclists come from all parts of California to enjoy the SALS salmon BBQ down at the park. Who would have think it?

I hope all SALS can make it to the. At the April meeting again there was talk of placing an order for new shirts and hats. That is always a grand idea. Other subject talked about at the same April meeting was signage for the BBQ pit. Another absolutely stellar idea. So I will see you at the Installation Dinner and meeting on June 20th After dinner we can talk about shirts and signs.

Thank you.
Respectfully submitted,
Ted Ashlock 1st vice commander.

Ron Waltman

We currently have 31 soldiers on our active duty roster. Uriel Guizar is home safe and sound from Iraq and should be in town for a few more days. Daniel Szambelan, grandson of Robert Lemming, also recently returned from Afghanistan. After visiting his grandmother here for a few days he returned to his base in South Carolina

On May 12, the Post supported a fund raiser for Pam Bodine, a Legion member and mother of TS2 soldiers Sandra Valois and Jason Lehrmann. Thanks to the outpouring of support from the SALS on the BBQ, the Auxiliary in the kitchen and the community at large, the event was a huge success. Special thanks to David Plumb and his band for donating their time. With checks still trickling in, and due to the Post and the TS2 project sharing the expenses, we will have cleared at least \$7,000. Pam wants to pass on her gratitude to each and every one of you who contributed not only your time, items for the raffle or financially, but also for your support and encouragement. Our prayers are with her every day as she continues to walk amongst the ranks of the survivors.

POST EVERLASTING

Dan "Danny" Lafferty recently passed away at his home on Sunday, May 20, at age 56. He has been active in the Legion since 1993 and served proudly in Vietnam with the US Army. He was always known to be a 'giver' and will be greatly missed in this community. Our hearts and prayers go out to his family.

get the job done and just have a great attitude, many of those guys come from the military", said Jeff Owens, president of Advanced Technology Services (ATS) in Peoria, Ill. Owens told *US Today* in February that 25% of ATS' 1,700 employees are veterans.

According to GI Jobs magazine, some of the top military-friendly companies are Union Pacific, Home Depot, General Electric, Sprint and Lockheed Martin.

Other firms actively recruiting veterans are Lending Tree and Dunkin' Brand, parent company of Dunkin' Donuts, Baskin-Robbins and Togo's-which offers a management-training program that could eventually lead to franchise ownership. The *Helmets to Hardhats* program helps vets transition into construction jobs.

Edwards for President." Moreover, the e-mail recommends that Americans bring signs with the message "Support the troops, End the War" to local Memorial Day parades. Revolting is a kind word for it. It's as inappropriate as a political bumper sticker on an Arlington headstone.

Edwards is hardly the first politician from either political party to exploit this day, a holiday that was consecrated with the blood of American heroes. But the e-mail makes me sick nonetheless. It needs to stop. This isn't about Edwards, it's about everybody. As national commander of The American Legion, I implore all candidates to refrain from politicking on Memorial Day.

The families of those killed in war should not be led to believe that their loved ones died for a less-than-worthy cause. They died because they took an oath to defend this nation and its

Constitution. The sacrifice is the same whether it's for a "popular war" or an unpopular one.

Memorial Day should be an occasion to bring Americans together to honor these heroes.

It brings to mind the words of Army Sergeant First Class Jack Robison, who recently wrote from Iraq, "Sometimes I think God must be creating an elite unit in heaven, because He only seems to select the very best soldiers to bring home early."

If you want to honor these heroes, visit a veterans' cemetery on Memorial Day. Attend a parade without the divisive political signs. Make cards for the comrades of the fallen that are recuperating in military and VA hospitals. Lay a wreath at the stone of a departed hero.

We Americans need to remember why Memorial Day is special. It's not about picnics or trips to the beach. It's not about making pro- or anti-war statements. It's not about supporting political

candidates. It's about honor, duty and the ultimate sacrifice. It's about people who have decided that the United States is worth dying for.

Paul A. Morin of Chicopee, Mass. is national commander of the 2.7 million-member American Legion, the nation's largest wartime veterans organization.

who fought a courageous battle against cancer, the TS2 project was able to cover the transportation expenses of both his TS2 sons, Ernie and Isaac Correa. Ernie is an engineer on the USS Reagan based in San Diego and Isaac, who recently returned from Iraq, is stationed at Ft. Leonard Wood, Missouri. TS2 was able to reimburse them as they paid their last respects to their father in February and again in April to bring them home for their father's funeral.
